THIS IS A NEW CONTRACT.

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

Authorization Required: DAS/ITS (Information Technology Services) administers state agency purchases from this Contract. State agencies (Executive Branch) must coordinate their purchase through DAS/ITS and may not purchase directly from the Contractor.

Please contact David Lee at (801) 537-9251 or Michael Allred at (801) 537-9061 for assistance. DAS/ITS will charge State Agencies based on DAS/ITS= Universal Surcharge Rate Plan. Political Subdivisions (such as Higher Education, Public Education, Cities and Counties) may purchase directly from the Contractor without State involvement.
